Dubai, a magnificent city where almost any dream can become reality.

Whether it is man-made islands in shapes of palm trees or even the world, or indoor skiing halls, or a world-class financial center that you are looking for - **you will find it all in Dubai.**

Dubai. Where dreams come true.

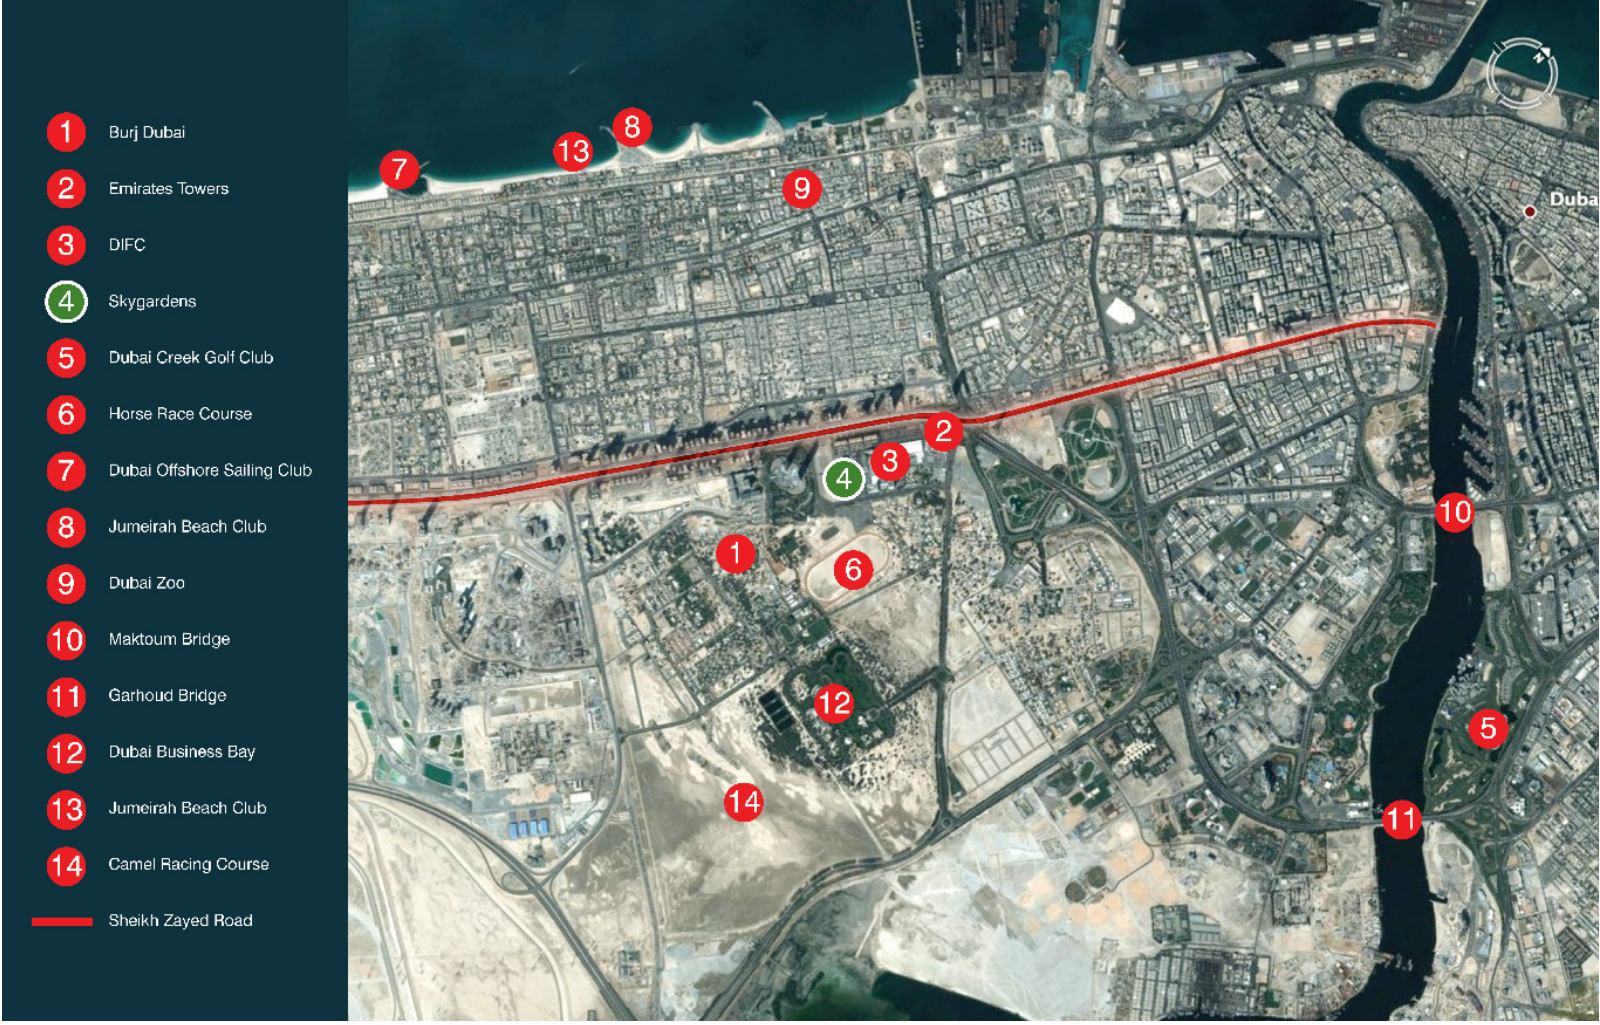

Introduction

Sky Gardens - A living space that's exclusive, elegant, and truly unique.

Sky Gardens is the first high-rise residential tower to be built in the **Dubai International Financial Centre- DIFC**. The tower consists of spacious contemporary apartments of different sizes intertwined with exquisite gardens. Uniquely located, **Sky Gardens** brings nature into the **DIFC**.

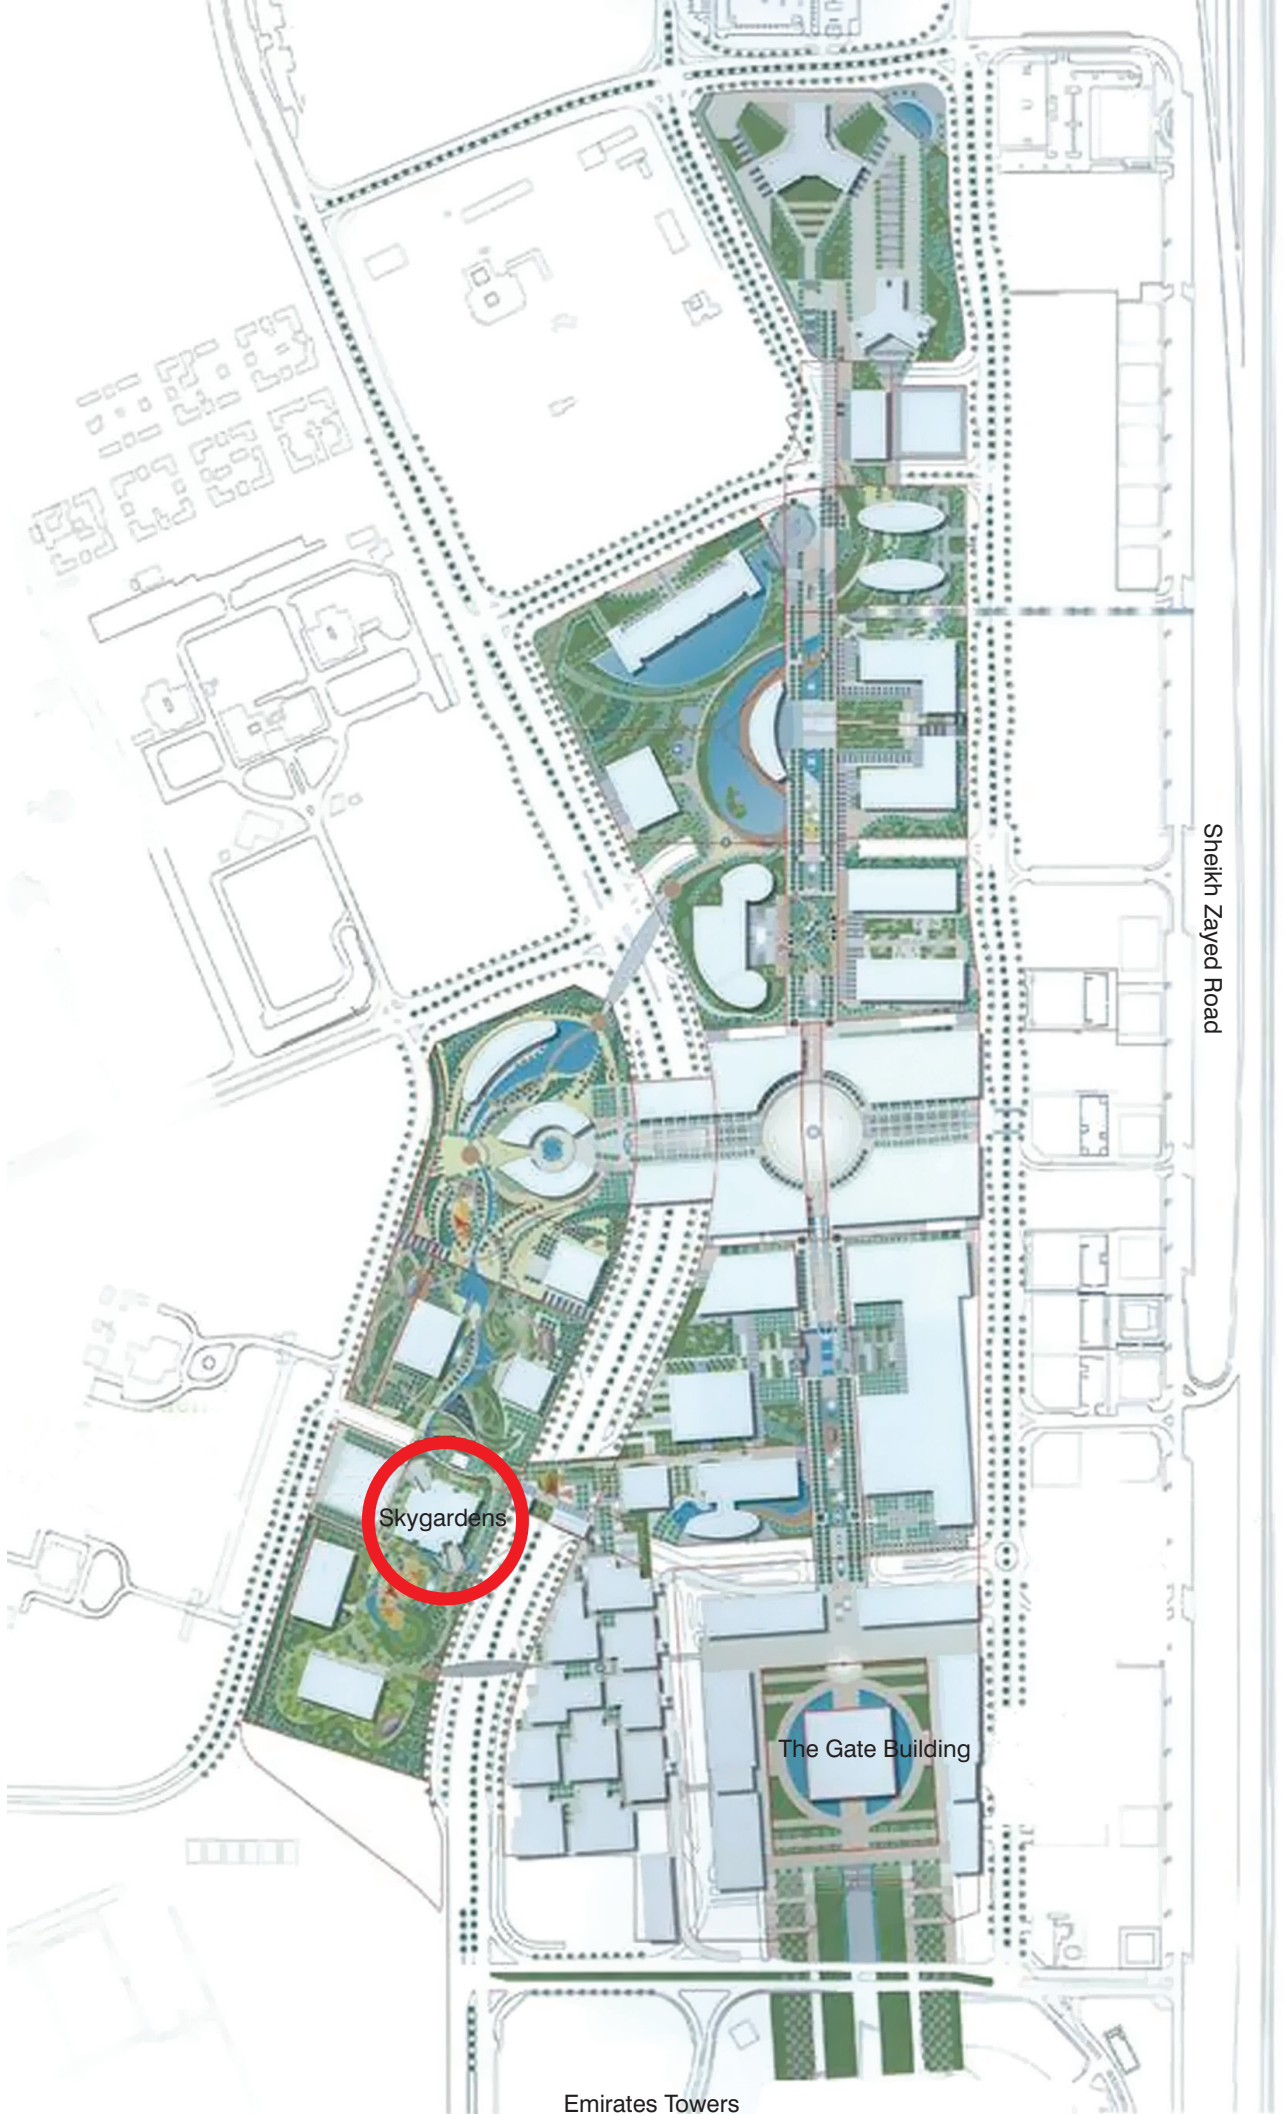

Sky Gardens' construction is well on its way and the tower will be finished in November 2007. Living in the DIFC is being at the heart of the greatest financial center in the region. Close proximity to all DIFC businesses combined with the peace and tranquility offered at Sky Gardens reinvents corporate living.

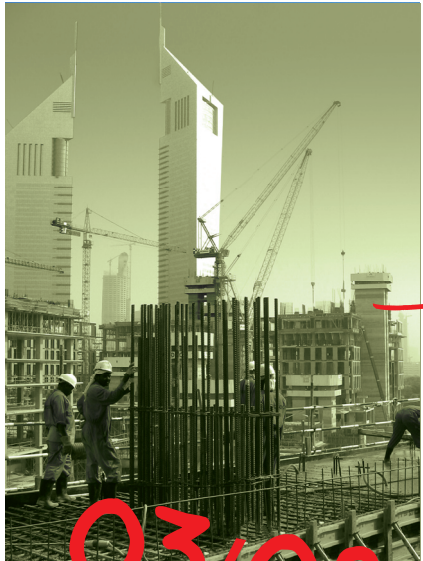

Location

Sky Gardens is located in the **heart of the DIFC**, just south of the Gate building and Emirates Towers; and only minutes away from other prime businesses, exclusive shopping centers, and vast leisure facilities.

Sky Gardens' residents enjoy commuting that is reduced to the bare minimum. With main office towers situated in the DIFC, Sky Gardens' residents can take joy in the finer things in life.

17/02/06

The tower is being developed on a 6000 sqm plot of land.

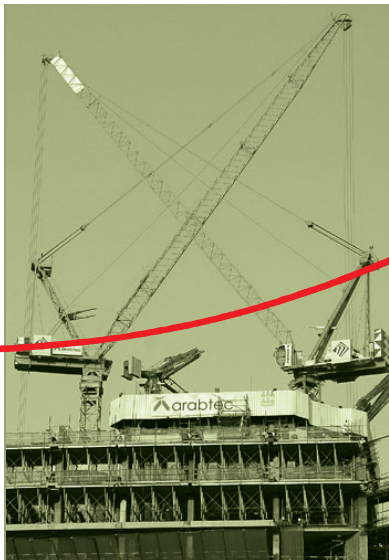

03/08/06

Construction began in December 2005 and will be finished in November 2007.

CONSTRUCTION COMPLETED NOVEMBER 2007

The land has been excavated, the foundations laid out, ...and now the floors are continuously being added.
